

actualise\_all\_parameters  
\_received

```
graph LR; A[AI_1_play_turn] --> B[actualise_all_parameters_received]
```

A diagram showing a call from a function to a parameter. On the right is a white rectangular box with a black border containing the text "AI\_1\_play\_turn". A dark blue arrow points from the right side of this box to the right side of a gray rectangular box with a black border on the left. The gray box contains the text "actualise\_all\_parameters" on the top line and "\_received" on the bottom line.
